Building a Stronger Community Together

Together CADTALK and our customers can build a better, stronger community but we need your help. We all know someone that could use CADTALK to streamline and automate their engineering to manufacturing process. This could be a sister company, a person you met at a recent ERP user group meeting, or anyone you think may have an interest in CADTALK. Fill out the form below to register this information with CADTALK. We will follow-up with the referred individual and if we make a sale we will reward you personally for the assistance. There are other ways to participate in the customer referral program including acting as a reference account, assisting with the development of a case study or video featuring your organization's use of CADTALK, and more. Program details are outlined on the left or contact us for more information or questions.

LEAD REGISTRATION:

www.cadtalk.com/crp

Every new CADTALK customer builds a greater community which helps us build better products with better services benefiting you and your organization.

Please help us so that we can help you.

Customer Referral Program

Earn cash for CADTALK referrals and benefits for your organization. There are three ways to participate in this new program. See below for details and benefits:

Refer Leads
Fill out our lead referral form to let us know of someone you think may have a need for CADTALK. We provide a $25 Visa Gift Card for every referral that we are able to contact and a $200 Gift Card will be sent to you for every sale we make. Your organization benefits as well as we will extend your current Maintenance and Support Contract or Subscription by 1 extra month for each new sale you refer to CADTALK.

Case Studies & Videos
Participate in a customer case study (printed) or video testimonial. We will provide you with a $100 Gift Card as a thank you for your help. Contact us to learn more.

Reference Calls
You probably asked us to talk to a CADTALK customer when you purchased the product initially. Help us with reference calls by joining our reference program. Calls will be limited to no more than 2 calls per month (15 minutes per call) on average. Receive a $25 Gift Card as a thank you for every call you complete with one of our prospects. Sign up for the reference call program today!
